

Dear Music Student:

If you have just finished the seventh grade, are just graduating from high school, or are somewhere in between, you may attend the 49th Annual Red Lodge Music Festival. And when you come to Red Lodge June 2-10 you will experience a unique blend of music performance and fun.

With the backdrop of the stunning Beartooth Mountains, you will enjoy ball games, talent shows and other recreational activities. Most of all, you will be involved in musical performances in chamber music and larger groups such as wind ensembles, jazz ensembles, and orchestras. Your teachers will be talented performers from universities, colleges, and symphony orchestras from across the nation. They are selected for their ability to share their musical skills which you will hear in five evening recitals. Year after year, students leave the Festival praising the faculty.

These professional musicians will work with you in master classes and coach you as you prepare for performances in small ensembles, full orchestra, and wind ensembles. The orchestra director will be Jim Frank, Greater Dallas Youth Orchestra, while Robert Levy, Lawrence University, Ret., will conduct wind ensembles. Greg Gatién of Brandon University will conduct jazz ensembles.

Something very special happens as the week progresses and you get together with students and faculty to make music. You will make friends with students and faculty from Montana and other states and develop greater skills in music performance. Your nine days at the Red Lodge Festival will be an experience you will cherish as a happy memory.

If you want to learn to play great music from professional musicians while staying in a scenic wonderland just an hour from Yellowstone Park, come to Red Lodge Music Festival this summer. Come to Music in the Mountains!
